(d) With a view to revive IISCO and ensure its future viability, Government had allowed SAIL to convert IISCO into a joint venture. Accordingly, SAIL had invited suitable parties to express their interest in such a joint venture. Three companies were shortlisted. However, offers of two of them were not acceptable to SAIL, while offer of one company is being currently examined. Due to delay in response for disinvestment, SAIL has not been able to submit any revival plan for the company, as yet.

**Steel Production by PSUs**

† 3002. SHRI BRATIN SENGUPTA: Will the Minister of STEEL be pleased to state:

(a) whether several Private Sector Undertakings are manufacturing steel;

(b) if so, the numbers and names of such Private Sector Undertakings;

(c) the average annual production of steel by these Undertakings; and

(d) the percentage of steel production in comparison to the total production capacity of these Undertakings?

THE MINISTER OF STATE OFTHE MINISTRY OF STEEL (SHRI BRAJ KISHORETRIPATHY): (a)Yes, sir.

(b) There are reportedly 691 working steel plants in the private sector in the country. The major steel plants in the Private Sector are—TISCO, Jindal Vijaynagar Steel Ltd., Essar Steel Ltd., Ispat Industries Ltd. & Lloyds Steel Industries Ltd.
